1 Who God is

- Is there only one God?

God's Word says: *In the beginning God created the heavens and the earth.* Genesis 1: 1.

One God created the heavens and the earth.

God's Word speaks of God as a Trinity, three persons but in perfect unity. **Father** God, His Son **Lord Jesus Christ** and the **Holy Spirit**.

The Lord Jesus said in John 14:

Verse 9, *He who has seen **Me** has seen the Father;*

Verse 16 *I will ask the **Father**, and He will give you another Helper, that He may be with you forever;*

Verse 26 *But the Helper, the **Holy Spirit**, whom the Father will send in My name,*

2 What does belief in God mean?

- Faith in God means union with Almighty God, that one lay down his life for him, which means you have surrendered your life to God.

As God's Word says, there is only one God. In the world there are many different religions, but none of them can give you what your soul longs for, salvation, eternal life and inner peace in your heart.

When one receives God in their life, then you become a child of God, and while you live on this earth, you will have a close relationship with God, and later united with him and other believers in God's heaven.

3 Does God really care about us?

God created the first man because he wanted to have fellowship with him. But man made a big mistake, he sinned against God. This separated man from communion with God.

God really cares about people, in His mercy, God sent His Son to pay the price for human sin, to be reunited with God. Jesus Christ was born into the world as a human being. He took our sins on the cross. Through the atonement on the cross, we are able to receive forgiveness for our sins.

4 What to believe?

- There are so many different religions in the world.

Religion is man's relationship to a higher power. There is a large amount of religious context where peoples worship a higher power. But as the word of God clears, there is only one God, which means; those who do not seek God's community in line with God's Word, they can not find Him.

Let me tell you an incident that a Muslim was to experience. He was totally despondent, what he had been taught about Christians wasn't true. He cried and prayed to Allah. However much he tried, he received no answer. According to his own opinion, he had totally failed in his faith and commitment to the Koran. He had no other alternative than to take his own life.

Just as he stood there in his apartment with a gun aimed at his head and was ready to pull the trigger, when God spoke to him with an audible voice. The voice knew his name and said:

Kamal, Kamal, Kamal! Why don't you call on the Father of Abraham and Isaac and Jacob?'

[You can read the whole story here.](#)

Kamal had given his life to something that was not God, a religion without life. His story is a strong proof of a God who sees and hears us; he also knows everything about us.

What the word of God says in the Bible, is true and something that you can act on! Faith in God is not a lifeless religion, it is a relationship with a God who loves us and cares about us. As he did with Kamal, he saved him from losing his life without knowing God and the fellowship with God forever; he will also save all who call on God.

5 How do I find God?

It's not as difficult as you might imagine, for God's Spirit is present in all the earth. He knows everything, He hears and He even knows our thoughts.

If you are honest with God and wants to have fellowship with him, that is all it takes to get in relationship with God.

Jesus Christ says in His word in John. 14: 6 *Jesus said to him, "I am the way, and the truth, and the life; no one comes to the Father but through Me.*

If you believe that God's word says, then you can ask him to come into your life. First, let's see what God's Word says:

...if you confess with your mouth Jesus as Lord, and believe in your heart that God raised Him from the dead, you will be saved; for with the heart a person believes, resulting in righteousness, and with the mouth he confesses, resulting in salvation. ...for whoever will call on the name of the Lord will be saved.

Romans 10: 9-10, 13.

If you pray the following prayer and believe in your heart, you will be saved:

**Lord Jesus Christ, forgive all my sins.
I believe you died on the cross for my sins.
I pray that you come into my heart and give me a new life.
I receive You as my Lord and Saviour.**

**Come into my life now and receive me in to your big family of God.
I pray in Jesus' Name, Amen.**

If you have prayed the prayer of faith, then you are saved. As God's Word says, everything old is gone and something new has begun.

Therefore if anyone is in Christ, he is a new creature; the old things passed away; behold, new things have come. 2 Cor. 5: 17.

6 Which church is right?

Churches would actually be requirement labelled as foods you buy at the store, but it's not. God's Word gives us guidance on how a Christian community should be. You can group the desirable requirements as follows:

- Believe that the Bible is the Word of God and the functioning of the Community by word of God based.
- The existence of a triune deity, God the Father, the Son Lord Jesus Christ and the Holy Spirit.
- The meetings of the Church, exalts Jesus Christ as Lord.
- The Holy Spirit is invited to guide the meeting.
- The gifts of the Holy Spirit's are operating in the Church services.

If you find a church that meets these requirements, then you can feel at home in the community. You can read about the order in the Christian community in the book of Acts and in the various letters to the congregation.

There may not be a church in your area that works according to what I mentioned, and then there are always other options. It is best to have fellowship with other believers where you live. Is there no one you can turn to, and then there is another option if you have a good computer that manages to convey meetings transmitted over the Internet.

If you have questions about your community, then you are welcome to write to me so you can get a good advice, no matter where you live. The address can be found on the main page under 'Contact Us'.

7 Warning of churches that are not good

We truly live in the last days. Never before has there been so upside-down in the Christian fellowships and churches. Many churches no longer functions as a Christian community. They have introduced a lot of different activities to go with the flow. Christian Yoga, modern dance and meditation, they even invite people to wine tasting in the church (in Europe), just to get more visitors.

The following Bible quotes is a warning to Christians:

Beloved, do not believe every spirit, but test the spirits to see whether they are from God, because many false prophets have gone out into the world. By this you know the Spirit of God: every spirit that confesses that Jesus Christ has come in the flesh is from God; and every spirit that does not confess Jesus is not from God; this is the spirit of the antichrist, of which you have heard that it is coming, and now it is already in the world.

1 John 4: 1-3

There are churches that call themselves Christians, but are not. Compared with the word of God, many churches fall below the level of approval.

Now it's not just about quality in worship services, there is something that is far more important, it's all about our relationship with God. If we are not here on earth living a righteous life, then we can not expect to one day come to God's heaven.

Christian community concerns first of all to nurture our inner being, our spirit man. A Christian community where God's Spirit is active build up our spiritual lives. God's Word is spiritual food for us, as we listen to the word of God is preached, but also when we read the word.

8 Denominations and churches who are not Christians

- **Jehovah's Witnesses**

JV's doctrine is similar to Christianity, but they do not have Jesus Christ as their Lord. They have their own Bible, very similar to normal translations, but it is reworked with small changes that alter its content to suit their goals.

- **The Church of Jesus Christ of Latter-day Saints**

The Mormon Church is not a Christian church. They follow Joseph Smith's revelations. They have their own Bible by Joseph Smith that they follow.

- **Roman Catholic Church**

RCC is the most similar to the Christian church. But unfortunately, their theology is mixed with the tenets and regulations that the papacy has compiled. RCC believe that Bible is not enough for its foundation.

Furthermore, there is idolatry in the form of worship of icons and canonized mortal remains. They also worship Mary, the mother of Jesus.

Most Catholics do not have a Bible; they are attending only the pastor's teaching. They will never know that Jesus Christ died for them and that they can have their sins forgiven.

Purgatory is a place that the papacy has invented. There is no such thing in the Bible. The priests collect substantial revenue each year to RCC, money for the prayers to get relatives faster out of the Purgatory. Purgatory is basically the priest's pocket.

RCC priests commits adultery with nuns behind closed convent doors. There the priests arrive drunk to meet the nuns.

[Read testimonies](#) by Angelica Zambrano when she visited Hell, and Sister Charlotte Keckler a former nun, there you will find out more.

[Please understand this: The Catholics are not the problem, they are precious peoples as anybody else. But the doctrine of the RCC Roman Catholic Church is the problem; RCC deceives peoples, and even their own members!](#)

9 Different religions and fellowships

This is a large subject; there are thousands of different religions and fellowships. In some parts of the world, they adore the most that can be mentioned. The most important for us is to know what's behind every different religion.

Any kind of prayer and worship that is not addressed to God in Jesus' Name is automatically out of the delusion. There are only two choices, God or the devil, Heaven or Hell.

Jesus Christ says of his empire that it is not of this world, but a heavenly Kingdom.

Jesus answered; My kingdom is not of this world. If My kingdom were of this world, then My servants would be fighting so that I would not be handed over to the Jews; but as it is, My kingdom is no of this realm.

John. 18: 36

Jesus says that Satan is the prince of this world.

Again, the devil took Him to a very high mountain and showed Him all the kingdoms of the world and their glory; and he said to Him, All these things I will give You, if You fall down and worship me. Then Jesus said to him, Go, Satan! For it is written you shall worship the Lord your God, and serve Him only.

Matthew 4: 8-10

Here are the causes of the false religions and doctrines. The devil imitates everything that God does; and he wants to destroy God's work. The reason is that the devil hates God because he has been kicked out of heaven and lost all his beauty. The devil called Lucifer, he was one of the principal angels in heaven before he sinned against God and was thrown out.

Now we understand why there are so many different religions and why all this evil in the world. Devil has really been active in his attempt to destroy the work of God on earth. If you call on God in the Name of Jesus Christ, you will always find God.

Religion and the occult are real, but you must be very careful, it's the devil's deceiving demons behind every unclean religion and the occult.

List on different occult movements (not Christian, inspired by the devil):

- The New Age movement
- Yoga, even Christian yoga, both of them is demonic.
- Any form of meditation with mantras. Or to open up during meditation for something you do not know what it is.
- All forms of healing; laying on of hands, healing rocks, and other similar.
- Asian religions or movements. Gymnastic movements are originated in the occult.
- Spiritualism, asking spirits, speaking with dead, talking to spirits.
- Adoration of the patron saint.

There are a lot of different directions. Has it not to do with God and His Son the Lord Jesus Christ, let it go, you have nothing to loose.

There is something we all do have in our homes, the TV and the Internet.

If you look at any program that is demonically inspired, then you may get problems. It sounds scary, but there is a reality behind many programs that are not good. Particular, there are children's programs that are directly inspired from hell.

It's awful when you think about it, but it would be wrong of me not to telling the truth. If you have never experienced anything like it, or that this is all new to you, do not be intimidated. The devil has no power if you do not invite him.

The teaching I now share with you is not found anywhere. On this website I will continue upload more documents.

Also a word about the computer: any computer connected to the Internet, is using the same cable, the viewer selects and sorts what you want to see. On the Internet today you will find everything imaginable, everything from the finest to the most insane and nasty. One should know what you are looking at, and if you have children you should have control over what they see. Read about the various children's programs, directly inspired by the devil. Harry Potter is such a program, and even the books. Check the links on other programs and read more. [Check this link](#); PDF file, **page 18 please**.

There is a trend that probably reflects the fact the offer on television and the Internet. There are many young people today who no longer want to live. It is truly frightening.

How can this be? If the emptiness of a person's life not be filled with the right content, you can get the wrong program on the inside. Suicide is often a direct attack of the devil's demons. I myself have had a taste of it. I'll be posting an article on the website with my testimony.

If you have concerns or questions about spiritual matters, or what I have written about, then you are welcome to write to me. Address can be found on this page and on the website - contact.

10 Beware of the occult

There are phenomena in the occult that need to be highlighted in this context. Partly because the reader not to be cheated, but also whether the person has exercised such before. If you have been familiar with the occult, you may need to ask God for forgiveness and restoration in Jesus' Name.

All occult activity is directly inspired by the devil. Some things may seem insignificant, and only for entertainment, yet there is an influence of the devil in these things. For example horoscope which is very common, for many these is a must in today's life, periodically reading the horoscope to see if the luck will be with you. A whole seemingly insignificant thing, but a horoscope is related to astrology and that is occult.

Occult or occultism, the meaning is preoccupation with supernatural phenomena. God's word warns of such:
